Factory area

100000+m³

Annual output of various plates

100+people

Senior technician

Our company's products are widely used as production materials for furniture, doors, wall panels, wardrobes, and more. They are generally suitable for **furniture factories, door factories, whole-house customization factories, wardrobe production enterprises, hotel projects, and real estate decoration**. Our products have been exported to foreign markets such as Thailand, Singapore, Malaysia, the Philippines, Indonesia, India, Nigeria, and elsewhere.

DEVELOPMENT PATH

1999
The company was officially established.

2001
The registered trademark of 'Tongli' was officially approved by the state.

2003
Invested 25 million yuan to establish a Shandong branch.

2005
Awarded the China Environmental Labeling Product Certificate.

2007
Invested 20 million yuan to add production workshops for blockboard and plywood.

2010
Established a flagship store in Houjie and promoted the brand chain business model.

2014
Newly added thick veneer work shop and won honorary certificates such as Guangdong Famous Brand and Chinese Famous Trademark.

2016
Its national factory headquarter was set up and a brand development strategy was implemented.

2017
Invested 1.5 million yuan to add a UV coating production line and enhanced the comprehensive competitiveness of the enterprise.

2019
A showroom in Oriental Ingye City was opened, upgrading and promoting customized finished products.

2024
Adjust the company's competitive strategy and spend 2.5 million RMB to upgrade two UV coating production lines, greatly improving product quality and production efficiency, and enhancing the company's comprehensive competitiveness.
